

Penquis Relays spark hot track competition

DOVER-FOXCROFT

Track teams from five Penquis area schools, Foxcroft Academy, Dexter, Lincoln, Greenville, and Nokomis, rallied in Dover-Foxcroft Saturday afternoon for the annual Penquis Relays.

Honors in the meet were earned by the Dexter squad with 93 points. Dexter athletes earned points for their school in all 14 events, picking up first place in six events and setting new records for the mile and triple jump.

Foxcroft Academy moved into second slot in the relays with men ranked among the top five competitors in every event except pole vault. Foxcroft tallied 59.5 points, while Lincoln scored 28 points, Greenville 27.5 and Nokomis 11.

Five records fell during the afternoon. Al Cooper of Nokomis topped the javelin record of 160-2 ft. set by Rattigan of Dexter in 1970. Cooper turned in 168-5 ft., while Rattigan had to settle for second spot even though he bested his 1970 effort with 160-4 ft.

Lowell of Lincoln made a bid for both the shot put and discus records. He succeeded in burying the old 45-8 ft. record held by Johnston, also of Lincoln, but missed the discus mark by only 2½ ft. For shot, however, Lowell set a new mark of 50 ft. ½ in., bettering the old standard by more than four feet.

Dexter's Young shaved four seconds from the record time in the mile to post a new time of 4:45.4. N. Johnson of Greenville turned in 2:09 for the 880-yd. event and cut down the old 2:13.1 record.

John Hartford of Dexter established a new mark for triple jump. He tallied 39-6½ ft. to break the two year old record of 33-11 ft. set by McCormick of Lincoln.

Dexter now leads the pack by holding six records, Lincoln and Nokomis hold two records each, and Greenville, Foxcroft and Warsaw each hold a single record.
