

Patriots Day 5 Miler - Portland - April 19

The temperatures were in the high 50s to low 60s, but the sun made it feel even warmer; only a bit above ideal for singlets and shorts. The wind was not as bad as some years but was dead against runners during the tough 4th mile. Stan had the company of Rusty Snow for a mile and Andrew Gerard from Dartmouth College to the 3 mile mark before he pulled away. Jennifer Rolfe, 1987 graduate of Westbrook High ran alone (except for men) for an easy win. Both Stan and Jennifer run for the Nike Boston team. The TV cameras, people, and general urban setting added a note of excitement to this race. Certified
