

Maine High School Championships - June 5th

Here are some of the results from the 3 state championship meets. For interest sake I combined the results of the individual meets by time. Everyone recognizes that had the same group of athletes all been in the same race the results & times may have been quite different. One should also recognize that many of the athletes were in more than one event and therefore their times may be far short of their capabilities. Some performances stand out. Mt. Ararat sophomore Cuyler Goodwin was disqualified for a false start in the finals of the 100meter but went on to win the 200, 400 & 800. Ryan McCalmon & Jeremy Howard had a real battle in the class A mile with Ryan barely missing automatic qualification for the nationals. Shortly after Jeremy ran a 4:22 he managed to run 9:32 in the 2 mile. Ryan came back in the 800 with a 3rd place finish behind Derek Treadwell of Old Town who set a record with a 1:55.4. Greely senior Erika Doyle highlighted the Class B meet with wins in the 100, 200 and a state record in the 400 with a 58.1. In Class C Jody Lake of Livermore Falls won the 400, 800 and mile. Gladys Ganiel of Narraguagus won the 2mile and took 2nd in the mile. Morse 9th grader, VanOrden won the class A mile and finished 4th in the 2 mile. Another Morse freshman, Alison Tostevin won the discuss and set a school record while finishing 2nd in the shot. The diversity award has to go to Mt. Ararat's Cindy Parmerleau who won the class A shot and finished 2nd to her teammate Goodwin in the 800. Here are some of the results from the 3 state champion
