

Hospital Week 5K - York - May 15th

This is the first of 4 to 5 races that the York Recreation Department conducts every year. The day was sunny but not too hot with a cooling breeze off the ocean. Beautiful new course for this race. It's a loop that takes you over the bridges in the York Harbor. Some small hills but nothing monstrous. The results and awards were done quickly. Normally Mainly Running doesn't attend races that don't publish their flyers in the magazine, but I had to be in the area on race day and the flyers for all their other races will be published in Mainly Running.
