

# Mothers Day 5K - Rockland - May 9

A bright sun made for a warm pleasant morning. In the past, this race was for women only, but now allows men. A very informal race that encourages families to run together in various award categories. One of the few races that not only allows baby carriages, but has awards for them. A flat course that runs through downtown Rockland. Good prizes too! I couldn't stay for the finish because I was on my way to cover the Epsteins race in Brewer on the same morning.
