

**5th Annual Quietside Festival 10K
June 24, 1995 | Southwest Harbor**

SOUTHWEST HARBOR- The top finishers in both the men's and women's divisions set course records as they competed in the 1995 Quietside 10-k Road Race held Saturday. The turnout was the largest field in the five years that the race has been run, according to organizer Rick Cegelis. Thirty-nine runners competed in the event sponsored by the Harbor House, while 18 kids participated in the 1-mile Kids Fun Run earlier that morning. Running under clear skies and beautiful weather, Geoff Mearns finished 2:12 ahead of second-place Rob Jordan with a time of 35:10, good enough to give him the win and to set a new course record. First in the women's division and sixth overall, Janet Feldman, who summers in Brooklin, completed the course in 40:21, which also gave her a new course record in the women's division. Sue Foster came in nine seconds later behind Feldman to place second in the women's division and seventh overall. Jim Gothreau came in third just behind Jordan with a time of 37:30, while Doug Crist nabbed fourth just ahead of Karl Johnson, finishing at 39:12 and 39:45, respectively.
