**Race Report:** At the second annual Cawfee hour run hosted by Crow Athletics the Wiggin family from Blue Hill showed their perseverance by being the only participants who attended the event which was held in a steady cold rain. This year a Decaf 1/2 hour run option was added as well as a Hot Chocolate run for kids. The event which featured a run for time format is modeled after track events held in the 50s & 60s where runners were challenged to see how far they could run in an allotted time. Priscilla Wiggin won the event with a total distance covered of 3.65 miles in 30 minutes of running followed by 2 year old Caleigh, 4 year old Alec, and their dad Teke, all covering 1.29 miles.

Plenty of hot coffee, hot chocolate, and doughnuts were enjoyed at the post race awards ceremony, where medals were awarded to the children, and the adults took home bags of gourmet coffee and running apparel. Priscilla Wiggin noted, "this is a great family event, we had fun."
